

AMENDMENTS TO THE SPECIFICATION

Please amend the specification as follows:

Page 26, the fifth full paragraph is amended as follows:

The orthodontic bracket 100 shown in Figs. 19A to 19C has a bracket main body 120 basically similar to the bracket main body 12 used ~~to the clip release tool~~ in the orthodontic bracket 10 of the first embodiment and a clip 200 similar to the clip 50 exemplified in the third embodiment.
